Dear Rohan and Members of the Cobra Cars Club

On behalf of the entire team at Challenge, I would like to thank you for your support and contribution to the Challenge Christmas Party.

The event was a great success with around 1,500 kids and families attending. With exciting show rides, delicious food and an array of different activities, every family found a reason to smile and laugh, away from their cancer world.

The cars and motorbikes are a popular activity with families lining up for an experience of a lifetime. We are grateful to everyone involved for making this activity safe, smooth and enjoyable for all.

As we start a new year, it never fails to astound me how much this organisation continues to grow. We grow in numbers, we grow in services, we grow in support. Yet in our growth, our incentive holds firm; we strive to brighten the lives of families living with cancer and you help us do that. Thank you.

Wishing you a successful and healthy 2018.

Yours sincerely

David Rogers
