

Cobra Car Club Committee Meeting

9/11/2016

1. Welcome:

President Rohan Smith welcomed all committee members to the meeting.

Jeremy Bland	Vice President / Club Secretary
Peter Duncan	Treasurer
Mike Barber	CPS officer (Club Plates System)
Theo Mirtis	Membership Secretary
Social / Cruise Secretary: Andrew Rodda, Guy Elliot & Robert Kann	
Ben Holko	Webmaster

Apologise from Tony Welsh.

2. Shelbyfest: After much discussion and consideration a motion was put that the 2017 Shelbyfest be a single day event in tandem with another club's event. Moved by GE and 2nd by JB. The Alpha club of Victoria stages a number of events across the year and are happy for our club to participate. Phillip Island was touted as the potential venue. More work needs to be done on the logistics and structure of such an event before a final decision and direction can be made.
3. Membership Fees: The club has held our membership fee at \$65.00 for the last 5 year. From next year the fee will move to \$75.00PA. moved by JB 2nd RS. It is up to the committee to ensure the membership see value in the rise in subs. This still makes us one of the cheapest clubs in the country. The adoption of a late for those members was discussed but it was decided at this point to not introduce this for either CPS or normal members.
4. CPS Holders: If a CPS holder is more than 60days late with club annual subs the club may choose to notify VicRoads and subsequently cancel their permit. The club will always contact members by both SMS and email advising the due date for subs.
5. Club Award: The 2016 club awards will be presented at the annual club Christmas Party held this year at Terry Ridley's home. Winners are:
Motortsport : LJ
Club Award: Craig Evens
President's Award: Announced on the day.
6. Photos Management: The club will establish a DROPBOX for high resolution photos. This can be used for members to print their own photos from and allow the webmaster to access a large array of photos.

Next Committee Meeting in February at the committee rooms
